On April 14, 1986, Beckley Woods Residents Association filed a letter requesting an extension of time to intervene. The Association's President, Thomas H. Holloway, stated that he needed additional time to investigate the application to determine the basis for the rate increase proposed by Beckley Station Disposal Systems, Inc.

The Commission FINDS that this letter should be treated as a Motion for limited intervention rather than extend the time allowed for intervention requests, and further, that the Motion should be granted.

IT IS THEREFORE ORDERED That Beckley Woods Residents Association be and it hereby is granted limited intervention status.

Done at Frankfort, Kentucky, this 18th day of April, 1986.
